

To my Burlington and Mebane Pediatrics family,

As I complete 14 years with Burlington and Mebane Pediatrics, it is with mixed emotions that I have decided to begin my “permanent vacation” on June 27, 2025.

40 years in my 2nd career as a Physician Assistant has been very rewarding. From St Jude Children’s Hospital to Duke Children’s Hospital in Pediatric Oncology to a general pediatric practice in rural NC to Capitol Pediatrics in Raleigh then finding a home with my Burlington and Mebane Pediatrics family. You have loved, cradled and supported me through the most difficult of days and celebrated with me the most joyous of occasions, always with kindness and grace.

To quote the great life philosopher, Jimmy Buffett, “Some of it’s magic and some of it’s tragic but I had a good life all the way”.

It has been a pleasure and a privilege to be a part of this group serving the community. I know you will continue with compassion and innovation to better all the lives you touch.

Again sharing a sentiment of JB, “Keep the party going”.

With the greatest of respect,
Beverly Hockenberger PA-C
