

**Burlington/Mebane Pediatrics** is a thriving general pediatrics practice with three locations in the enviable Triad/Triangle region of North Carolina. We are privately owned by the physician partners of our practice. With 8 pediatricians, 6 advanced practice providers, and 40+ clinical and administrative staff, we are the premier pediatrics group in the greater Burlington-Mebane area.

Founded in 1971, our practice philosophy is reflected in our *Mission Statement*:

*We are dedicated to meeting the complete healthcare needs of the children and adolescents we see by providing the highest standard of medical care that is compassionate, convenient, and cost-effective. We believe in practicing medicine with integrity and strive to build long-term partnerships with our patients and their families based on trust.*

## **Clinic Overview**

Burlington Pediatrics/ Mebane Pediatrics has a statewide reputation for delivering the highest standard of care with innovative programs and services. The three office locations are open Monday-Friday, with morning walk-in hours. We also offer weekend urgent care clinic at a centralized location. We are a medical home committed to delivering whole-person care through robust well child and adolescent care, immunizations, behavioral health services, and sexual health services. We offer lactation services for breastfeeding couples and complimentary prenatal consultations for expectant or new parents. The practice offers simple procedures including circumcisions, nexplanon, laceration repair, cryotherapy, and incision & drainage. Each of our locations has a comprehensive in-house lab that processes Group A strep, Influenza, RSV, and COVID-19 molecular tests, as well as CBC profiles, Monospot tests, cholesterol, glucose, urine dipstick, and urinalysis. Our dedicated Care Team assists with referrals and behavioral health support for our providers Burlington Pediatrics/ Mebane Pediatrics is proud to be one of the first private pediatric practices to offer a Collaborative Care Model (CoCM) program for mental health management. Our care management program offers additional support to eligible patients. We use Office Practicum, an electronic health record designed specifically for outpatient pediatrics.

We take pride in our reputation for clinical excellence. We have won numerous awards from the state, including recognition for our outstanding immunization rates. We are active members of Triad Health Network (THN), and UNC Health Alliance, and have been recognized for our exemplary management of chronic diseases such as asthma, based on our low ED and hospital admission rates. Burlington/Mebane Pediatrics is a preceptor teaching site for Elon University's physician assistant program and UNC School

of Medicine's medical students.

At Burlington/Mebane Pediatrics, you will have the opportunity to work with collegial providers in a supportive work environment. We offer the benefits of working in a close-knit small community with the convenience and accessibility of excellent tertiary medical centers, including Duke, UNC, and Wake Forest. With confidence in our sound business model, we are prepared and excited to navigate the ever changing future of healthcare.

Our providers are leaders in our local community, with active participation in numerous civic and charitable organizations, including the board of Cone Health, Impact Alamance, NC Pediatric Society, Alamance County Board of Health. Recognized as a *2024 Best Place to Work* by the Triad Business Journal, we value and support our employees and are proud to be one of the best employers in Alamance County.

### **Area Overview**

The greater Burlington-Mebane area is strategically located on the I-85/I-40 corridor that runs between Greensboro and Research Triangle Park. We are home to Elon University and the national headquarters of LabCorp. Alamance County offers convenient access to metropolitan attractions in Greensboro, Chapel Hill, Durham, and Raleigh. We are two and a half hours from the mountains and three hours from the beach. Additional information about our area can be found at [www.visitalamance.com](http://www.visitalamance.com).

### **Position Overview**

We are seeking a motivated, team-spirited BC/BE pediatrician with an unrestricted North Carolina medical license and excellent clinical training for a full-time position (preferred) or part-time position. Full-time pediatricians have a 4 weekdays/week clinic schedule with equally-shared telephonic-only call that includes weekend urgent care clinic. Part-time pediatricians have a 3 weekdays/week clinic schedule and also participate in equally-shared call and weekend urgent care clinic. Our providers are supported through patient access to an in-house nurse advice line during clinic hours and a triage advice line when our offices are closed.

We offer a competitive salary with stellar benefits, including a generous 401K package, health insurance, paid time off, CME stipend, short-term disability, relocation expenses, and signing bonus. Interested full time pediatricians may be eligible for our 3-Year Partnership Track that includes productivity bonuses and the potential to earn in the top 10% of general pediatricians.
